

LOVE POTION # 3: Product Description

Want the secret to finding true love? Your search is over! A mysterious fusion of the most desirable natural bronzers known to man, Love Potion No.3 was created to hypnotize the object of your affection. Submerge your golden skin in our Magical Silicone Emulsion with a generous dose of 3D Protect Technology for the most radiant glow sure to attract! Wish Granted!

- Quicksun Color Tint provides instant streak-free color with a matte finish for a more added dimension
- Groundbreaking 3D ProtectTechnology locks in moisture, promotes skin cell regeneration and instantly cleanses, creating the trifecta of healthy skin
- Whimsical Bronzing Concoction of Henna, Black Walnut and MelalNK, for maximum effect

Taking part of this program not only makes you money and gets you an abundance of free product, but also benefits all VBG members long-term. This will be the fourth year of the Lotion of the Month program and every year we've had more participation enabling us to offer stronger benefits. By purchasing together we'll have ample ammo to use with other vendors and gain even better incentives for you. As corny and cliché as this sounds...help us, help you by taking advantage of this incredible offer.
