

## ***Skin Tight: Product Description***

Turn heads with this powerful blend of natural bronzers and firming ingredients. Using the power of the popular Stevia plant and the high levels of skin-tightening caffeine found in coffee, you're sure to make others jealous of that gorgeous tight body! Top off that FitFigure with an industry first "make-up for your skin", that fills in imperfections for a flawless finish and leaves skin touchably soft. Say good-bye to troublesome cellulite and say hello to gorgeous, SkinTight bronzing perfection!

- **FitFigure Technology:** A unique blend of Stevia and caffeine-rich coffee extract combine forces to help minimize cellulite for smoother and firmer looking skin.
- **Advanced Bronzers:** A potent blend of natural bronzers for gorgeous, dark color.
- **Flawless Matte Finish:** An industry first fills in imperfections and gives the appearance of healthy, even, radiant skin with a soft, powder lightweight finish.
- **Slimming Skincare:** Combination of Macadamia Nut and Vitamins leave skin conditioned and moisturized for an all-over slimming look.
